

Furoshiki

Instructions for wrapping 2 bottles using a 36 in.(92 cm) square of fabric.

Place both bottles side by side in center of Furoshiki.

Lie both bottles down, pointing away from each other toward A and C, with space to turn them upright left between.

Take corner B and fold over base of both bottles.

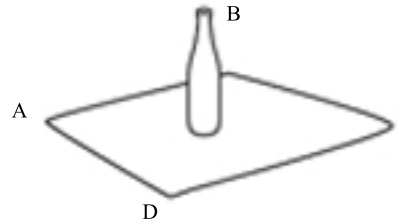

Roll corner B with both bottles towards corner D.

Place bottles upright, tie corners A and c into a square knot.

Furoshiki

Instructions for wrapping 1 bottles using a 36 in.(92 cm) square of fabric.

Place bottle at the center of the Furoshiki.

Bring corners A and C to the top of the bottle and tie a single knot. Twist both corners to form a circle and tie a square knot to complete it.

Take corner B and wrap clockwise, take corner D and wrap counterclockwise.

Tie a square knot when both corners meet (and overlap) on the other side.
