DIG A BUSINESS FOUNDATION

Structure Foundations Worksheet

Print out this worksheet and pull out any business structure documents you can find: employee agreements, independent contractor agreements, formation documents, licenses, and permits. As you work through the worksheet think about if any gaps exist between where your business is and where you want it to be. If you've got any gaps, take out your calendar and block off time to tackle these not-so-fun tasks.

List your structure documents	What is needed or missing?
Are licences, permits, contracts & t documents in order and current?	eam Need an accountant or attorney?
YES My structure is NO My structure sound work	e needs YES NO
One structural improvement I can make is:
