

# Makers RETREAT

*Hollyhock, Cortes Island*

OCTOBER 9-13

[OHMYHANDMADE.COM/MAKERSRETREAT](http://OHMYHANDMADE.COM/MAKERSRETREAT)

This October 9-13 makers are gathering at Hollyhock on Cortes Island, BC for the second Maker's Retreat. This event is an opportunity to learn from fellow makers, develop new skills, cultivate creativity, and be part of a global movement.

Families, teams, and makers of all ages or abilities are invited to join this hands-on community retreat.

Hosted on the handmade Hollyhock campus this gathering is for anyone who makes things, makes change, or just wants to make more goodness in their life.

Many of us are navigating a marketplace where competition is valued over cooperation and hustle instead of simple homemade, handmade goodness. Creative entrepreneurs, small business owners, and community leaders need to gather with others who are crafting meaningful lives to share skills, support, and reinforce why making matters.
